

Sector Strategies

Effective June 2016

The Wyoming Workforce Development Council shall endeavor to incorporate into the work of each Committee the needs of Wyoming's people including transitioning military members, veterans and their families, individuals with disabilities, youth who are in-school, out-of-school and at-risk through utilization of the six core programs: Adult, Dislocated Worker, Youth, Adult Education, Wagner-Peyser and Vocational Rehabilitation.

Purpose: A) Develop a deeper understanding of the interrelationships between business competitiveness and the workforce needs of target industries and provide workforce tailored solutions for those industries; B) Develop strategic enhancements of training for new businesses and industries to promote a diversified economy; C) Coordinate strategies with the Career Pathways and Apprenticeship Services Committee.
